Thank you. As you look through these pictures, know that YOU are one of the special individuals that made these life-saving transformations possible. The smiles on these mothers’ faces say more than we could ever express with words. Their children are thriving today because of your generosity. God bless you – and THANK YOU!

Merry Christmas and Happy New Year!

Pat & Sue Bradley

PS: It is your giving that makes all of this possible. Please consider making a gift today. Precious lives hang in the balance.

Thank You for Caring, Your Generosity Makes A Big Difference.
